

Dear KDSF donors and future Kingdom Dreamers,

First and foremost, thank you to all the donors that have generously given their money into this scholarship. I am filled with so much gratitude and thanksgiving, knowing that you guys are making a difference in my life. With each dollar, you are furthering God's kingdom through my academic studies. This opportunity to live out my dream and to fulfill God's will on my life gets me excited and motivated to continue to pursue after Him and His heart for His people.

With that being said, I would encourage the next generation of Kingdom Dreamers to dream big and pursue after your goals and passions. God has specifically placed a unique plan in your life and wants to bring that into fruition through your studies and higher education. Never give up on the Lord and remember that He is always on your side!

Sincerely,

Paul Hwang
